Head of Middle School Report

Last week Interviews were held for new Year 7 students with their parents. Next year will be the largest intake of Year 7s into the Middle School. There will be two Year 7 classes at near capacity for next year. With the Stage 2 slab poured last week the new buildings are on track to be completed by the end of the year; just in time to accommodate the inaugural Year 10 class and double-stream Year 7 classes. Attention will soon turn to staffing and subject choices for 2017 as the school enters the next exciting stage. The school is working hard to identify teachers with secondary experience to cater for the range of VCE subjects that will be on offer. This week, Mr Gork and Mrs Kuchel attended a ‘Learning Environments’ Conference in Melbourne which will assist with the planning for the senior secondary building design and curriculum implementation. Even though we are not yet half way through the year preparations for 2017 are well underway.

Last Friday the Music Elective group had the opportunity to perform live music at the Horsham Plaza. This rare opportunity was the brainchild of Music teacher Mrs Mock who negotiated the performance with the Horsham Plaza management. The students performed remarkably well giving a faultless performance, much to the delight of many interested onlookers. As an added bonus, the students raised an additional $143 for the Year 9 Philippine trip. Well done to the amazing students who were exceptional ambassadors for the school, Mrs Mock for her efforts in coordinating the event and Plaza management for allowing the students the opportunity to perform.

This week has been another big week in sport. On Wednesday our Year 7 and 8 footballers and Year 8 netballers competed in local tournaments. The footballers narrowly lost their match whilst the netballers won 7 out of 10 matches. Dyson was awarded a best player medal for his efforts on the day. Eight Middle School students gained entry into the Greater Western Region Cross Country Championships to be held at Warrnambool next Monday, good luck to these students.

Over the next couple of weeks our teachers will be busy putting the students through a variety of assessment tasks as they prepare to write end of semester reports. It is important that students are in attendance at school to ensure they have the opportunity to demonstrate what they have learnt. If students are absent for any reason, notice is to be given to the student’s homeroom teacher. In the event of an extended absence, notification should be given to the Principal or Head of Middle School.

HTLS Super Sport Cup

The first and fantastic win by Lowan was a good representation of teamwork and sportsmanship. The Lowan team played very well together and as a result won 5-3 against a strong Wimmera team. Everybody played well and we are looking forward to the first finals game against Wimmera. Hopefully we can make it all the way to the top! Go Lowan.

Lowan Captains - Josiah & Sarah

The day ran really smoothly and all three teams gave their best. Even though some are still getting to know the rules and the game, there weren't many mistakes. Mallee was the team of the day, winning both of their games. Lowan and Wimmera both played really well and they never gave up. We can't wait for next week! We think all the teams will make great memories and put on another good show.

Mallee Captains - Ahren & Mackenzie

The day went really well, more so for some teams than others. Wimmera played fairly well, but unfortunately it just wasn't enough to get us over the line, with two out of two games lost. We all know one thing though, and that is that Wimmera will come back to take the lead back and win the finals. We can't wait for our upcoming games next week. Good luck to all.

Wimmera Captains - Tyler & Oriana
